

**GOVERNMENT OF THE DISTRICT OF COLUMBIA
DEPARTMENT OF HEALTH**

Senior Deputy Director
for Health Care Finance

**Medical Assistance Program
Transmittal No: 03-42**

TO: All District of Columbia Day Treatment Providers

FROM:  Wanda R. Tucker
Deputy Director
Medical Assistance Administration

DATE: SEP 24 2003

SUBJECT: Transition of D.C. Specific Local Codes to HIPAA Compliant Codes

The Medical Assistance Administration (MAA) is required to achieve compliance with the Health Insurance Portability and Accountability Act's (HIPAA) mandated transaction standards, code sets and identifiers by October 16, 2003.

MAA had devised many local codes for the District's Day Treatment providers to accommodate special needs and circumstances; however, the HIPAA transactions, code sets and identifiers rules do not permit the use of local code values after October 16, 2003. MAA has cross-walked all active Day Treatment local codes to standard codes.

To assist the District's Medicaid Day Treatment providers with the transition to standard codes, MAA has attached an Addendum that provides a crosswalk between the current local codes and standard codes. A copy of the revised Day Treatment Provider billing manual will be provided separately. Additionally, the proposed transition from local codes to standard codes will not change the current reimbursement payment(s) for the District Medicaid Day Treatment providers.

Please note that, effective August 31, 2003 MAA will discontinue the use of current local codes for the Day Treatment providers. Medicaid claims submitted by the District of Columbia Day Treatment providers for services rendered on or after September 1, 2003 should be submitted using only the standard codes.

If you have any questions or need additional information regarding this transmittal, please call MAA's Fiscal Agent, ACS State Healthcare's Provider Relations Inquiry Desk at (866) 752-9233.
